About Us

OSF HealthCare Saint Francis Medical Center has fulfilled the Mission of our Sisters since 1877. OSF Saint Francis has grown into the fifth-largest medical center in Illinois, with nearly 5,000 employees and 600+ patient beds. A major teaching affiliate of the University of Illinois College of Medicine Peoria, OSF Saint Francis is the area’s only Level 1 Trauma Center and tertiary care medical center. We are also home to OSF HealthCare Children’s Hospital of Illinois, OSF HealthCare Cancer Institute and the OSF HealthCare Illinois Neurological Institute. OSF HealthCare is a Catholic, 16-hospital health system serving Illinois and Upper Peninsula of Michigan, driven by our Mission to “serve with the greatest care and love.”

Transforming Care

OSF Saint Francis employs a staff of highly experienced and exceptionally trained Mission Partners. These compassionate caregivers may be found throughout OSF Saint Francis in clinical and non-clinical roles, performing a variety of services. In addition to providing direct patient care, we coordinate patient care with other disciplines, including nutrition, pharmacy, social and insurance services, along with senior and weight management services.

This interdisciplinary team meets daily at the bedside with the patient and family to discuss the patient’s goals for discharge, education and equipment needed and patient responsibilities upon discharge.
