Jump Trading Education & Simulation Center
UICOMP Pre-Med Immersion Experience

Thank you for your interest in the UICOMP Pre-Medical Immersion course for Summer 2023! The two week course will be held June 5th through June 16th, 2023. It is open to highly motivated undergraduates who are interested in clinical and simulation-based modules to enhance preparation for medical school. During this two week course, participants will be immersed in the world of medical education and simulation. There will be a variety of hands on learning experiences and course content will be provided by practicing physicians and other medical professionals.

Learning opportunities will include:
- An overview of clinical and surgical skills
- Professionalism and patient information safety
- Suturing and venipuncture
- Advanced airway skills
- Cardiology overview and skills
- VR learning, including virtual laparoscopic skills
- Simulations with both high fidelity mannequins and real-life standardized participants

The final day is feedback and awards ceremony for the participants.

Limited scholarships are available for this course. There is no application fee for the scholarship. Applications must be completed on this form and sent to events@jumpsimulation.org before May 15, 2023.

Selected applicants will be notified by May 22, 2023. Acceptance of scholarship authorizes OSF HealthCare to use media including but not limited to photographs, videos, application content, and interviews, in print, online, and electronic materials.

If you have any questions, please contact events@jumpsimulation.org.

Thank you for your interest in the 2023 UICOMP Pre-Med Immersion Experience being held at Jump Trading Education & Simulation Center!
