OSF HealthCare

SPECIALTY MEDICATION LIST | Effective August 2024

The Specialty Medication List is a guide to medications distributed through OSF HealthCare Specialty Pharmacy. Our goal is to provide exceptional service and comprehensive care so that our patients can live happier, better lives. In fact, our dedication has earned us a 99% patient satisfaction rate. We support our prescribers and patients with pre-screening therapy, ongoing support and education, clinical monitoring and refill reminders.

If you have questions regarding specific medications, please contact us at **(833) 354-2220** (prescribers)
