Giving is simply the right thing to do. Stewardship is recognizing that everything we have and everything we are is a gift from God and being grateful and generous with those gifts. We are stewards of all the blessings that we constantly receive, and they are not meant to be stored but rather to be shared.

In the Acts of the Apostles chapter 20, verse 35, *"In all the things I have shown you that by so toiling one must help the weak, remembering the Lord Jesus, how He said, It is more blessed to give than to receive."*

"Authentic charity is being able to leave before you are recognized as a giver." – St. Teresa of Calcutta

It is with great honor and pleasure to be able to share the blessings, all for the honor and glory of God as well as for the good of our souls.

ONE DONATION *can make all the difference!*
