Public Health

More info on how to help LTCF integrate into the regional world to meet their CMS requirements

Public Health

Pediatric disaster response

Access/Functional Needs response

Public Health

I liked this facility

I would somehow like to see LTC's attending these meetings but I have no idea how to make that happen

Public Health

Continue panels (especially real world)

Have Red Cross explain what they do and don't do

Something different for lunch besides hospital food

Public Health

Refresher for WebEOC users (hands on if possible)
