## About Us

OSF HealthCare Saint Paul Medical Center, a 25-bed critical access hospital, has been dedicated to providing quality health care to Mendota and the communities we serve since 1951. Relocated to its new state-of-the-art facility at 1401 E. 12th St. in Mendota in 2011, OSF Saint Paul became the 11th OSF HealthCare hospital on April 1, 2015.

OSF HealthCare is a Catholic, 16-hospital health system serving Illinois and the Upper Peninsula of Michigan, driven by our Mission to “serve with the greatest care and love.”

In 2023, OSF Saint Paul was honored by the Illinois Critical Care Access Hospital Network (ICAHN) for its ongoing commitment to exceptional quality of care. The ICAHN also ranked OSF Saint Paul in the country’s top 10% of all critical access hospitals for outpatient and care transition quality measures.

OSF Saint Paul was recognized with a 2023 Performance Leadership Award for excellence in Patient Perspective by the Chartis Center for Rural Health.
