

OSF HealthCare Saint Elizabeth Medical Center

About Us

With two campuses in Peru and Ottawa, OSF HealthCare Saint Elizabeth Medical Center has the resources of a connected health system combined with the comfort and convenience of care close to home. Together, the campuses offer a birthing center, emergency services, intensive care, outpatient services, diagnostic imaging and inpatient behavioral health care.

Our staff provides state-of-the-art therapeutic, diagnostic, medical, surgical and support services in Ottawa, with additional staff providing care at OSF Center for Health in Streator, a robust outpatient facility that also features a freestanding emergency center. OSF HealthCare is a Catholic, 17-hospital health system serving Illinois and the Upper Peninsula of Michigan, driven by our Mission to “serve with the greatest care and love.”
