

Mission Partner GIVING

ONE TEAM • ONE SPIRIT • ONE MISSION

WHY I GIVE

Kim Kennedy

Human Resource Business Partner
Human Resources – Western Region
OSF HealthCare Saint Paul Medical Center, Mendota

I have been with OSF HealthCare for over 37 years. “Serving with the greatest care and love” is not just something we state as our Mission – it is something we live and demonstrate each and every day at OSF.

The Mission reminds me to always be compassionate in my interactions and to do what I can to help. OSF has provided me with a rewarding career, so I believe in giving back. Mission Partner Giving is one way I feel I can help. I feel blessed that I can donate to such a worthy cause. It’s a wonderful opportunity to provide support for those we serve in the community.

Investing in our community’s future is very important so we can sustain the medical services needed for our small community. Every dollar helps to support these efforts in keeping the services available.

We have a walking path at OSF Saint Paul Medical Center that encircles our entire hospital. This was made possible, in part, by Mission Partner Giving. It not only provides exercise for Mission Partners, but several members of the community utilize this as well. It is great seeing the dollars from this campaign reinvested in the well-being of our community!
