Earning Service Cords for Graduation (##)

PURPOSE: To allow students the ability to wear cords at graduation signifying their volunteer and service hours while a student at the College.

POLICY: Students who complete 40 volunteer/service hours during their enrollment at the College will earn the ability to wear kelly green cords at graduation. The hours must be completed outside of class/clinical time and must align with the mission, vision and values of the College of Nursing as well as the OSF organization. Hours can be completed at organizations outside of OSF, so long as they align with the mission, vision and values. Examples of accepted volunteer hours include, but are not limited to,

- Student organization meeting attendance
- Student organization officer role
- Assisting at a food bank
- Organizing St Clare's closet
- Campus clean up events
- Collecting Coats for Kids
- Leading a Bible study (on campus or at local church)

PROCEDURE: The student will complete the form and submit it to the College Mission Officer, who will keep the documentation. It is the student's responsibility to complete and submit the form. If there is concern about the qualification of the hours, the Catholic Pillar team will discuss and vote.
