

“ *Let us pause to call to mind the blessings of this day and to seek the Lord’s help tomorrow.* ”

Oh Lord, thank you for the blessings that tell me I am not forgotten.

Thank you for those who smiled at me today, those who encouraged me, those who remembered me, those who believed in me, and have more faith in me than I have in myself.

Thank you in a special way for all those who care for me.

Give them peace and reward in their service.

Thank you for the ways in which your mercy and your loving kindness has come to me in the silence, in the beauties of nature, in the shared moments of this day.

Thank you for those who visited me and held me in their prayers.

Thank you for the eyes that understand, the hearts that feel, the hands that heal, the words that comfort and bless.

Thank you Lord, for giving me the time to thank you.
