

OSF HealthCare Saint James – John W. Albrecht Medical Center

About Us

OSF HealthCare Saint James – John W. Albrecht Medical Center is a 42-bed acute care facility, fully accredited by The Joint Commission. Founded near the town center in 1907, the current modern facility opened in 2002 on the west edge of Pontiac, near the intersection of Interstate 55 and Illinois Route 116. OSF Saint James serves patients from throughout Livingston County and beyond and provides services at primary care clinics in Pontiac and six area towns. Over the past decade, OSF Saint James has received state and national recognition for patient safety, clinical quality, patient experience and financial stewardship. OSF HealthCare is a Catholic, 17-hospital health system serving Illinois and the Upper Peninsula of Michigan, driven by our Mission to serve with the greatest care and love.

Transforming Care

OSF Saint James recruits and employs highly trained professionals to bring exceptional clinical care to our rural setting. In recent years, community gardens, wellness screenings, the creation of a CDC-compliant diabetes prevention program and diverse community education events have focused on keeping people healthy and out of the hospital. We are committed to providing care in new ways that allows people to stay at home, to remove barriers to care many people experience and to bring more services to those with fewer resources.
