

Begin your holiday season by remembering loved ones with a star on the Tree of Lights.

As you show your appreciation to others, your donation continues to give.

Since 1990, you have donated over \$135,000 for the health and well-being of your community – **Thank you!**

Tree of lights will raise funds to purchase a new state-of-the-art bladder scanner which allows for quick, non-invasive assessment of bladder volume, helping to reduce the risk of infection and promote greater comfort and safety for our patients.

The Tree of Lights represents a bright symbol of the timeless qualities of Christmas...

The holiday season is an ideal time to think about the people who have touched our lives. We can show our appreciation by remembering and honoring them while making a difference in the lives of others.

Memorial or honorary donations:

\$100 for a gold star

Gold and silver stars will hang on the 2025 OSF Saint Clare Tree of Lights located in the Medical Office Building. A star list highlighting the names of the people being honored or memorialized will also be on display.
