Support Services

**Planning Gap**Communications-first POC needs to be involved  
TICPs - all in one place, some common planning for all regional TICPsUnsure how we fit into community crisis plans  
Talk about exercises (do a CIL-CARP exercise)Have the NWS come to all the meetings  
Hospital vs. Public Health vs. EMA (HVA-THIRA)  
RACES move to AuxComm (IEMA)Trainings and exercises upcoming in the Region  
Information sharing from coroners to other agenciesThis was my first meeting, very informative  
Disaster preparedness for animals/pets

Hospital decon policy

How to integrate drills

ListServe for questions

Lab links for BT/Disasters

Epidemiological investigations

Available trainings and exercises for upcoming FY

Would like to see more group tabletop exercises organized

Really enjoy when there are hands-on displays like we had about a year ago at UnityPoint-Proctor

EMA role in disasters, supplies? Generators, hands-on, transportation, etc.

Share slides and presenter preferred contact info

Introductions-incorporate SurveyMonkey to inquire where people are from and group them at tables by putting  
their association at tableState representation from Medical Reserve Corps  
MABAS

More agenda items/guest speakers to fill time

Continuity planning

Recovery planning

State or Federal representation from Medical Reserve Corps

TICP

STIC Safety Room instructional

Networking may be a gap

Regional Emergency Operations Plans

Be able to download presentations

Great meeting, I have a couple of items to take back to my county to improve upon

Regional EOPs across sectors

Networking introductions

Email presentations and list

Hospital representation

How many local health depts., EMA's, hospitals others were here today? How many should be?

NWS good presentation/information

Share drills and exercises that others are planning or hosting

More sharing of planning documents

Exercise sharing

Agency introductions

Excellent meeting
