Peoria, Illinois 61603-3783

Website: www.sfmcon.edu

Spring 2025 BSN Registration Information

Student Level	Registration Dates:	Registration Method:
Current S1s and part time S2	<u>Mon. 10/07</u> -8:00 a.m. to <u>Thurs. 10/10</u> -4:00 p.m.	Student Information System (SONIS) - Online
J2 J1 - Currently enrolled Fall 2024	Submit bundle choices to Registrar before <u>Friday 10/11</u> -4:00 p.m.	<u>Advisor will Email Student Choices to the Registrar</u>
J1 - Part time Fall 2024 J1	Submit bundle choices to Registrar before <u>Friday 10/11</u> -4:00 p.m.	<u>Advisor will Email Student Choices to the Registrar</u>

Academic Advisement:

- Advisement for Spring 2025 classes ends 10/04/2024.
- All currently enrolled BSN students must meet individually with his/her Academic Advisor.
- It is the student's responsibility to make an appointment to see the advisor. Students are encouraged to either use email or leave a telephone message when trying to contact advisors. It is recommended that you develop at least two schedules in case your first selections are closed when you go online.
- Choose classes by checking the Spring 2025 Class Schedule for the classes you want and the time and location most convenient.
- Check prerequisites in the College Catalog on the College website <http://www.sfmcon.edu>. Prerequisites must be met before you register for the course.
- **When meeting with Academic Advisor is completed, the advisor is to release the 'hold' on registration for S1s to be able to access the Spring 2025 courses online during your level's online registration dates. All other students will need to have their advisor email the Registrar with their bundle selection. Before leaving the meeting make sure this has been done by your advisor.**

- Students will not be able to register if they have delinquent financial obligations to the College or to financial aid programs.

Class and clinical sections will be determined by registrations. The College reserves the right to limit enrollment in sections and to cancel a section for which there are insufficient registrations. The size of a clinical group is determined by limitations set by the clinical agency. The number in parentheses after each lab section represents the maximum number of students for the Lab. The College cannot exceed that number. **The College reserves the right to change or adjust course and clinical or lab schedules of students, as needed.**

Registration and Student Account Implications:

- To ensure timely receipt of billing statements and to allow time needed to complete financial arrangements, please register as early as possible.
- Student Account payment for the Spring 2025 semester is due December 13, 2024.
- Students who register **after** the tuition/fee due date must make **immediate** payment arrangements in the Student Finance Office, Room 710.
- Students who register late and have an unpaid account balance by the tuition/fee due date may experience:
 - * Delays in financial aid processing.
 - * \$25 monthly late charges on unpaid balance of account
 - * Hold on class attendance
 - * Unnecessary Stress!

Going to be J2s and S1s – you will complete your bundle selections with your academic advisor. Your academic advisor will email the Registrar your bundle choices. Here are the bundle options:
