**Call for Abstracts:
Deadline April 3**

The 2024 OSF HealthCare Annual Research Symposium is May 15, but the call for abstracts deadline is coming up on April 3! The annual symposium is an event designed to recognize and highlight research, evidence-based practice and process or quality improvement activities, and accomplishments from across the Ministry.

Abstract submissions:

Click here to fill out the required abstract submission worksheet.

Presentations:

Click here to learn about presenting at the event and judging criteria.

Awards will be given for top posters and presentations!

For more information, email
ars@osfhealthcare.org.

Registration and agenda
information coming soon.
