

OSF HealthCare Sacred Heart Medical Center

About Us

OSF HealthCare Sacred Heart Medical Center is a 174-bed comprehensive health care facility serving Vermilion County. It was established in 1882 in a 14-room former hotel by the Franciscan Sisters of the Sacred Heart. When the hospital became part of OSF HealthCare in February 2018, The Sisters of the Third Order of St. Francis renamed it OSF HealthCare Sacred Heart Medical Center to honor the legacy of the original founding Sisters of St. Elizabeth Hospital. Our staff of nearly 400 provides state-of-the-art therapeutic, diagnostic, medical, surgical and support services to our patients and their families. OSF HealthCare is a Catholic, 16-hospital health system serving Illinois and the Upper Peninsula of Michigan, driven by our Mission to serve with the greatest care and love.

Transforming Care

OSF Sacred Heart is committed to excellence in the quality of care patients receive. We are continually implementing leading-edge initiatives to help ensure we provide the best care for our patients. Performance on National Patient Safety Goals and The Joint Commission Core Measures is consistently examined, with data reported publicly. Our compassionate caregivers can be found throughout the hospital in clinical and non-clinical roles.

Community initiatives

- Installed first community garden in collaboration with the Vermilion House to provide older adults and adults with disabilities with an enriching activity and fresh produce
- Took the OSF Care-a-Van to two community events to offer basic health screenings
- Facilitated 24 OSF Cares-4-Kids programs focusing on pediatric mental health prevention, physical health and nutrition. These programs took place throughout Vermilion County in partnership with Project Success, the Danville Family YMCA, the Hope Center, Vermilion Association for Special Education (VASE), Girl Scout Troop 2053, and Danville District 118 Summer School.
