

# OSF HealthCare Saint Elizabeth Medical Center

## About Us

OSF HealthCare Saint Elizabeth Medical Center is a 97-bed acute care facility, fully accredited by The Joint Commission. With roots in the community dating back to 1895, OSF Saint Elizabeth joined the OSF HealthCare Ministry in 2012. The medical center serves patients throughout Ottawa, Streator and beyond, and through OSF Medical Group clinics in Marseilles, Ottawa and Streator. In April 2024, a second OSF Saint Elizabeth campus began operations in Peru, Illinois, with the opening of an emergency department. Additional inpatient services will be added in the future.

OSF Saint Elizabeth was named a 2023 Human Experience (HX) Guardian of Excellence Award® winner by Press Ganey, the global leader in health care experience solutions and services. This award is part of Press Ganey’s annual ranking of the top hospitals and health systems in the country, according to performance in physician experience.

Our staff provides state-of-the-art therapeutic, diagnostic, medical, surgical and support services in Ottawa, with additional staff providing care at OSF Center for Health in Streator, a robust outpatient facility that also features a freestanding emergency center. OSF HealthCare is a Catholic, 16-hospital health system serving Illinois and the Upper Peninsula of Michigan, driven by our Mission to “serve with the greatest care and love.”

## Transforming Care

OSF Saint Elizabeth recruits and employs highly trained professionals and maintains valuable partnerships to bring exceptional clinical care and specialty services to the

Illinois Valley. We are committed to developing solutions and removing barriers to provide care to our community.
