

Spring 2027 Registration Guide

S1s and S2s

A Tradition of Excellence in Nursing Education

Registration Due Date: October 29, 2026

ADVISEMENT / REGISTRATION

S1s Registration Process

- Mandatory meeting with Academic Advisor
- Review bundle choices
- Academic Advisor logs bundle choices on Registration – Advisor Copy spreadsheet

S2s Registration Process

- Mandatory meeting with Academic Advisor
- Review schedule options
- Academic Advisor will release registration hold
- **Student registers online in SONIS beginning Monday, October 26, 2026 at 8 am to Thursday, October 29, 2026 at 10 pm.**

Academic Advisement

- All BSN students **MUST** meet individually with his/her Academic Advisor. It is the student's responsibility to make an appointment to see the advisor.
- S1 students will register by selecting course bundles versus individual courses and sections. This will greatly reduce scheduling conflicts for students. In the meeting with the Academic Advisor, the student and the advisor will log the preferred bundle choices on the Registration – Advisor Copy spreadsheet.
- S2 students will register themselves online.
- Students will not be registered for courses if they have delinquent financial obligations to the College or to financial aid programs.
- Students interested in enrolling part time will use the list of courses and sections in a bundle to create a schedule. Students are required to discuss their desired schedule with their academic advisor.
- The College reserves the right to limit enrollment in sections and to cancel a section for which there are insufficient registrations. The size of a clinical group is determined by limitations set by the clinical agency. **The College reserves the right to change or adjust course and clinical or lab schedules of students, as needed.**

Asynchronous learning is any type of learning that is undertaken on the student's own schedule and does not require consistent real-time interactions with an instructor.

Synchronous learning can be done online or in-person and typically requires students to attend scheduled classes with the instructor.

Hybrid learning combines in-person and online learning experiences.

Student Account

- Student Account payment is **due December 11th**. Please contact Student Accounts at 309-655-2344 to make payment arrangements. A monthly late charge of \$25 will be applied to any unpaid balance.
- Students enrolled in 6 credit hours or more may be eligible for federal student loans or other financial assistance. The FAFSA must be filed, and the financial aid process complete which may take several weeks. For more information, please contact the Student Finance Office at 309-624-9932.
- OSF Mission Partners utilizing Guild Education benefits for the first time must complete the Guild application at osf.guilledge.com.

Spring 2027 Calendar

Spring Tuition Due	December 11, 2026

S2 Registration Considerations

- Once registration is completed, you can print a copy of your schedule.
- Other students will be registering at the same time. Course seats may fill up while you are in process.
- If you finalize a course and need to switch courses (or sections), you will need to email the Registrar.
- We will try to place you in the courses and sections you have selected but there are no registration guarantees. If you are placed in a different section for any reason, you will be notified by email of the change.
