

Mission Partner GIVING

ONE TEAM • ONE SPIRIT • ONE MISSION

WHY I GIVE

Stephanie Stapleton

POSITION: Executive assistant

TEAM: Mission Services

LOCATION: Ministry Headquarters, Peoria

I've been with OSF HealthCare in Mission Services for 18 months. Giving back is part of the fabric of who I am as a person. It's a personal commitment.

In Mission Services, we look for ways to be a blessing to the community by giving back and partnering with other organizations. Our leaders recognize the importance of giving and the needs of our community. As a team, I love that we give back. This is also why I support the Mission financially. It's about community and people. Children have a special place in my heart, and if I can help support their needs with a large or small donation, it can bring great joy to both them and their families.

It is an honor and privilege to be able to give back. Being a good steward in this world is one way of expressing our love for God and our gratitude to Him.

Mission Partner Giving is just a small way we can contribute to help others. Overall, the OSF Ministry is very giving, and I see it over and over again throughout the organization. Serving with the greatest care and love is illustrated through how we support one another.

ONE DONATION *can make all the difference!*
