

Bachelor of Science in Nursing

Admissions Requirements

Application Fee for admission is \$75.

Official Transcripts

Must be sent directly from colleges/universities attended.

- Completion of at least 32 credits.
- Completion of at least one nursing science course (anatomy & physiology, chemistry or microbiology) with a 2.7 GPA.
- Minimum cumulative GPA of 2.5 on a 4.0 scale.
- If applicable: you may send a copy of any CLEP and/or AP courses.

All official transcripts should be sent to admissions@sacn.edu or mailed to the college.

Pre-Admissions Test

Each applicant is required to take the pre-admissions Test of Essential Academic Skills (TEAS). Available test dates will be emailed to the student after application and fees are received and processed by SACN.

Scholarship Consideration

SACN scholarships for incoming students will be available for applications prior to the start of term (February for Fall and September for Spring) at <http://sacn.awardspring.com/>. Accepted applicants will receive an email with notification when the scholarships are open.

For those applicants whose primary language is not English, a passing Test of English as a Foreign Language (TOEFL) score is required.

Direct Admission Option

The Admissions Department will review completed application in alignment with requirements if applicants have earned:

- 3.0 or higher cumulative GPA.
- 3.0 or higher required nursing science GPA.
- 70% or higher adjusted individual TEAS score.
