About Us

Founded in 1925, OSF HealthCare Saint Anthony's Health Center is a 49-bed acute care hospital located in Alton, Illinois, serving Madison, Jersey and Macoupin counties. OSF Saint Anthony's is part of OSF HealthCare, a Catholic health system with 18 inpatient facilities serving Illinois and the Upper Peninsula of Michigan, driven by a Mission to serve with the greatest care and love.

OSF Saint Anthony's boasts a medical staff composed of primary and specialty care physicians and providers, complimented by an array of outpatient and virtual care services.

Additional services include rehabilitation services, comprehensive home care and hospice services, and an urgent care walk-in clinic. Due in part to a strategic affiliation with SSM Health, OSF Saint Anthony's has strengthened its comprehensive health services and provides a fully integrated health care delivery system for the communities we serve.

OSF Moeller Cancer Center is fully accredited by the American College of Surgeons' Commission on Cancer and is a comprehensive cancer program that provides best-in-class oncology services to the community.
