

Affiliation	Planning Gap
Education	Communication b/w first responders and schools in mass response event
Elected Official	Communication about local applicable training opportunities coming up
Elected Official	Elected's who have <u>taken</u> NIMS classes
EMA	Long term care planning/response
	After Action Reports/Lessons Learned
	Upcoming events/training
EMA	Training-All Hazard Position Specific-Planning, Logistics, etc.
	Training and shadowing of Advanced Emergency Operations Center operations
	Region wide asset list and way for EVERYONE to be able to track resources with same system
EMA	Snacks/lunch - Thank You!
	Room too small, liked Jump Trade Building
	Be nice to have a couple breaks to talk w/ others
	EOC/ICS interface, all disasters in the room how does all this work in a disaster
	Table top with this large group
	Using equipment as a trial run, not just a "show-n-tell", seeing it in action
EMA	Administrative Preparedness
	Compiled regional assets inventory/resources guide and how to access
	HAZMAT Awareness level training
Fire	Communication process b/w agencies
	Resource list-what's available, what's need to avoid duplication
	Plan scenarios, drills, tabletops, to show some actual gaps
Hospital	First receiver HAZMAT response and protection for staff
	Bystander CPR (full or hands only)
Hospital	Decon-no decon team, need training
	Pediatric care/equipment
	Money to keep up
Law Enforcement	excellent program, I really don't see any gaps
	I learn a lot from each meeting that I share with the LE agencies I work with

LTC/SNF/LTAC	Similar to your "Stop the Bleed" Program have you considered distributing supplies around facilities w/inventory lists instead of a mass storage facility? It would be nice to rotate location-Peoria, LaSalle Co., Rock Island Co.
LTC/SNF/LTAC	Great meeting
LTC/SNF/LTAC	Very informative, thank you!
Public Health	No internet
Public Health	Lots of info, good meeting
Public Health	Requests for regional assets
	Supporting mass care operations per discipline
	Regional public information
Public Health	Need registered names/addresses/phone numbers available to each person who attends sent out after each meeting
Public Health	Working towards uniformity of response across the region
Public Health	Share/participate/coordinate one exercise across the region so get to practice working together (even TTE on the web like the hospitals due in the region)
Public Health	Stop the Bleed training materials would be great
	Online database
	Training/exercise/etc. calendar
Public Health	Working MOU's b/w agencies
	Trainings/exercises together
	Agency/organizations with locations-share plans
Public Health	Regional training always beneficial
Public Health	Elected officials training as it changes constantly
Public Health	Keeping committed key players (participation)
	EOC
Public Health	Med Surge
	Emergency Operations
	Communications
Public Health	Evacuation planning
	Med Surge
Public Health	Administrative Preparedness
	Compiled regional assets inventory/resources guide and how to access

HAZMAT Awareness level training
