

Mission Partner GIVING

ONE TEAM • ONE SPIRIT • ONE MISSION

WHY I GIVE

I've served in many nursing and leadership roles throughout my 37-year career at OSF HealthCare, and our Mission of serving with the greatest care and love is a way of life for me.

I truly fell in love with OSF when I started working at OSF HealthCare Saint James - John W. Albrecht Medical Center in Pontiac and saw the Mission come to life. I was allowed to bring my faith to work, combining my personal beliefs with my career and allowing passion and service to be at the forefront. Since then, I've carried it forward wherever the Lord led me within the organization.

The foundation for my belief in giving back to OSF stems from the fact that we offer spiritual care as well as physical and mental care. By making the personal choice to support the Ministry financially, we confirm the importance of our work and service for the community.

In our region, Mission Partner Giving has helped fund improvements that benefit our patients, visitors and Mission Partners. Many years ago, I helped a fellow Mission Partner get connected with the Above & Beyond fund during a difficult time, and she was forever grateful to OSF and all Mission Partners for their love and support.

Imagine what would happen if we all participated!

"It's not how much we give, but how much love we put into giving." – St. Teresa of Calcutta
