## About Us

OSF HealthCare is an integrated health system founded by The Sisters of the Third Order of St. Francis and headquartered in Peoria, Illinois. The system includes 18 inpatient facilities encompassing 16 licensed hospitals, two of which operate dual campuses in separate communities. Among these hospitals, 10 are acute care facilities, five are critical access hospitals and one is a continuing care facility. OSF has 2,141 licensed beds throughout Illinois and Michigan and employs more than 27,000 Mission Partners across 170+ locations. These include OSF Medical Group locations; OSF HealthCare Children’s Hospital of Illinois, the third largest pediatric hospital in the state; and OSF OnCall, its digital health operating entity that offers hospital-at-home care. OSF employs more than 2,433 primary care and specialty physicians and advanced practice providers.

In addition, OSF operates two colleges of nursing; OSF Home Care Services, an extensive network of home health and hospice services; Pointcore, Inc., which is composed of health care-related businesses; and OSF HealthCare Foundation, the philanthropic arm of the organization. Advances in health care transformation take place through OSF Innovation as

well as OSF Ventures, which provides investment capital for promising health care innovation startups.

**Mission:** In the spirit of Christ and the example of Francis of Assisi, the Mission of OSF HealthCare is to serve persons with the greatest care and love in a community that celebrates the gift of life.

**Vision:** Embracing God’s great gift of life, we are one OSF Ministry transforming health care to improve the lives of those we serve.

## Transforming Care

Launched in 2016, OSF Innovation inspires, mentors and partners to transform care with strategic solutions that connect everyday needs with inventive approaches and the bold advances of tomorrow. Leveraging a collaborative network of different disciplines and skills, the division is uniquely positioned to add value to solutions at each stage of the innovation journey from inception, to development, all the way to scaled implementation. Integrated across the Ministry, OSF Innovation works at solving health care’s most challenging problems. OSF HealthCare has been recognized by *Fortune* as one of America’s Most Innovative Companies for 2025, having first received this distinction in 2023.
